FOR IMMEDIATE RELEASE

JEFFERSON CITY MAN INDICTED FOR CONSPIRACY TO POSSESS WITH INTENT TO DISTRIBUTE COCAINE

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Jefferson City, Mo., man was indicted by a federal grand jury today for his role in a cocaine conspiracy.

Andreas N. Revell, 21, of Jefferson City, was charged in a three-count indictment returned by a federal grand jury in Kansas City.

Count One of the federal indictment alleges that **Revell** conspired to possess with intent to distribute 500 grams or more of cocaine on March 26, 2005.

Count Two of the federal indictment alleges that **Revell** possessed with intent to distribute 500 grams or more of cocaine on March 26, 2005.

Count Three of the federal indictment is a forfeiture count, which would require **Revell** to forfeit to the government any proceeds derived as a result of Counts One and Two of the indictment, including approximately \$1,184 seized from him at the time of his arrest and a 1996 Chevrolet Tahoe that he was operating at the time of his arrest.

Graves cautioned that the charges contained in the indictment are simply accusations, and not evidence of guilt. Evidence supporting the charges must be presented to a federal trial jury, whose duty is to determine guilt or innocence.

This case is being prosecuted by Assistant U.S. Attorney W. Brent Powell. The case was investigated by the Independence, Mo., Police Department and the Drug Enforcement Administration.
